# Cal OES LAW ENFORCEMENT MISSIONS

## Cal OES Law Missions:

- **2017-LAW-35003, 04/01/17, 0600 hours:** LDO was contacted directly by San Bernardino County Sheriff's Department (SBSD) regarding a hiker who was in distress on Mt. Baldy. SBSD requested resources to assist in rescuing the hiker as their air resources were grounded overnight by weather. San Bernardino SAR team members began hiking to the hiker but were forced to shelter in place due to the weather (high winds 40-80 mph gusts). SBSD requested an additional 10-15 Search and Rescue TYPE 1- Alpine Certified SAR personnel from Los Angeles Sheriff's Department (LASD) to assist in rescuing the hiker from the mountain. **UPDATE:** [LASD-Sierra Madre Alpine Team](#) accepted the mission. The first out SAR team located the victim and determined he had only minor injuries. Aerial support was not available due to gusty winds. The victim was cold but able to walk. SAR personnel traversed Mt. Baldy Bowl and guided the victim to the Devil's Backbone trail, where they met up with a second SAR team from LASD- Sierra Madre. Both teams walked the victim out on the backbone trail and eventually made their way back to their vehicles. The victim was transported back to the ICP and waiting ambulance. The victim declined medical transport by ambulance as his family was on scene and provided transport. Two SBSD team members suffered from exhaustion during the rescue mission from the overnight and Saturday's efforts. Per SBSD, the SAR volunteers were able to rest and did not require medical attention. All resources were released at 04/01/17, 1800 hours. **Mission Closed**
